

**CITB-ConstructionSkills
supports National
Apprenticeship Week**

YOU'RE BETTER OFF WITH A CITB-CONSTRUCTIONSKILLS APPRENTICE

Here's why...

- You'll receive grant funding of up to £9,000 – we are the only training provider who can generate these grants with no paperwork for you to complete
- We will also pay all college and exam fees – you don't have to find a penny
- Our dedicated Apprenticeship Officers support you and the apprentices from day one, right through to the end of the programme
- Our apprentices are 10% more likely to finish their course than the national average, which means you're more likely to make the most of your grant opportunity
- We are the only provider to offer the complete range of construction apprenticeships
- We are the largest provider of construction apprenticeships in the UK – with over 45 years' experience

To find out more about apprenticeship training, come along to one of our local events.
